

§ 74-24.9. Issuance and delivery of notices, orders, and decisions.

(a) All notices or orders issued under G.S. 74-24.8 shall be in writing, signed by the Commissioner or his authorized representative, and shall be given promptly to the operator of the mine.

(b) In order to insure prompt compliance with all notices, orders, or decisions issued under this Article, the Commissioner or his authorized representative may deliver such notices, orders, or decisions to an agent of the operator, and such agent shall immediately take appropriate measures to insure compliance with such notice, order, or decision.

(c) Each operator of a mine shall file with the Commissioner the name and address of such mine and the name and address of the operator of the mine. Any revisions in such names or addresses shall be promptly filed with the Commissioner. Each operator of a mine shall designate a responsible official, and shall file the name and address of said official with the Commissioner, as the principal officer in charge of safety and health at such mine, and such official shall receive a copy of any notice, order, or decision issued under this Article affecting such mine. In any case, where the mine is subject to the control of any person not directly involved in the daily operations of the mine, there shall be filed with the Commissioner the name and address of such person and the name and address of a principal official who shall have overall responsibility for the conduct of an effective safety and health program at any mine subject to the control of such person, and such official shall receive a copy of any notice, order, or decision issued affecting any such mine. The mere designation of a safety and health official under this subsection shall not be construed as making such official subject to any penalty under this Article. (1975, c. 206, s. 9.)
